

WHAT'S HAPPENING at OCS

All School Read

Every Wednesday, we gather our K-6 students to participate in an "all school read". Sometimes this looks like students all bringing their own books to read silently, or pairing older kids with younger kids to read, or the staff reading a book aloud all together for the students.

Postcards from All 50 States

Mrs. Miller's fourth/fifth grade class is currently working on a project to receive a postcard from each of the 50 states! They've already started to receive some and soon they will be displayed in their hallway! If you know of someone who could help out with this project, please let us know!

Field Trips

Mrs. Scott's Kindergarten class has had the opportunity to visit Gale's Pond with Mrs. Rabe's First Graders in September. They were able to walk the trail around the pond and enjoy God's creation!

The Kinders will be headed to Weesies in Montague for their Fall Fun Activities this Thursday, October 23rd!

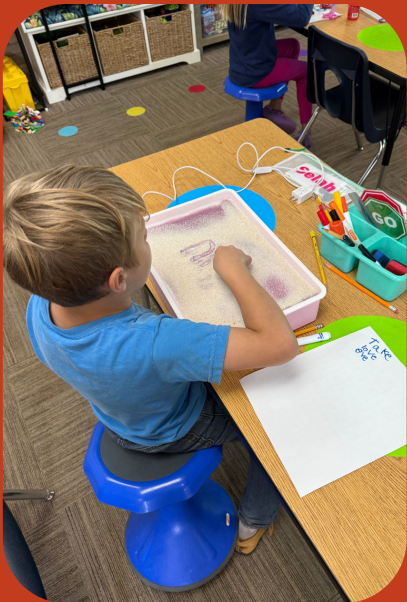

OG Literacy Night

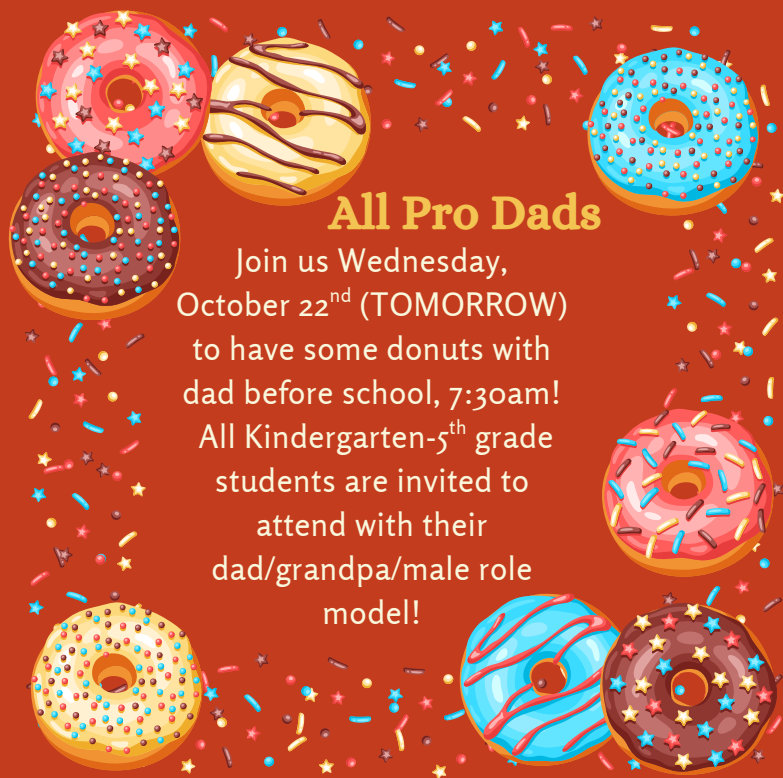

Thank you to all the families who joined us for our OG Literacy Night!

We loved sharing why we use the Orton Gillingham approach and giving you a glimpse into how your children are growing as fluent, confident readers. It was such a joy to watch parents and students engage together in the hands-on, multisensory activities that make OG so effective and fun!

If you have any questions, please don't hesitate to reach out to your child's teacher or our OG Interventionist.

October 21, 2025

All Pro Dads

Join us Wednesday,
October 22nd (TOMORROW)
to have some donuts with
dad before school, 7:30am!
All Kindergarten-5th grade
students are invited to
attend with their
dad/grandpa/male role
model!

Fall Break & First Aid

While you were on Fall Break, our
teachers were hard at work
completing a First Aid/CPR course!
Above are some of the photos
captured while they practiced their
life-saving skills!
