---

## Tuition Policy

Payments may be made in 10 monthly installments beginning **August 1** using cash or check. Payments are due on the **first of each month**. Tuition may also be paid in full by cash or check. Special arrangements for payments may be made by contacting the school administrator at (231) 873-2514.

All payments over 10 days past due will be assessed a **10%** past due charge. This would be 10% of your monthly tuition amount. If payment is 10 days past due, contact must be made with the school administration as to when the payment will be received by the school.

Please remember, if a student's tuition is two months past due, he/she will be dismissed from school until payment is made. Prompt payment of tuition is necessary to keep this school functioning in a proper manner, and this is the responsibility of parents or guardians.
